

**NEW!**  
**PENERGETIC G/K  
SLURRY  
ACTIVATOR**  
LIQUID CONCENTRATE

## The Natural Solution For Slurry and Liquid Manure

- Activation of the aerobic microbiology
- Makes slurry homogenous
- Elimination of bottom sludge and surface crust layers
- Reduced ammonia volatilization
- Lessens need for pit/lagoon agitation
- Better in-barn environment
- Makes manure nutrients more bioavailable

Take greater advantage of the natural fertilizing properties of liquid manure.  
Suitable for dairy or beef manure.
